

March 19, 2020

Dear Patients and Choices' Family,

In order to insure the safety of our patients, staff, and community at large, Choices will :

- ✓ Operate a reduced schedule per limited services and nurses available:

Week of 3/23	Hours open for appointments	Gainesville	Flowery Branch
Monday	10 am-4 pm	Only currently scheduled appts	
Tuesday	9 am – 4 pm		x
Wednesday	9 am – 4 pm	x	
Thursday	9 am – 4 pm	x	x

- ✓ Stop taking Patient Walk-ins (in order to pre-screen for virus symptoms on the phone)
- ✓ Offer Pregnancy Related Services only: Pregnancy Tests, Pregnancy Advocacy, Ultrasounds and Pregnancy STIs if needed
- ✓ **Stop** offering the higher (infection) risk STI testing (for now)
- ✓ **Stop** offering the My Baby Counts and shopping to minimize crowds (for now)

This difficult decision has been made in response to guidance from the CDC, our government officials and the Georgia Department of Community Health to help stop the spread of the Covid-19 Coronavirus. We are joining in the effort in Hall County to do our part to help minimize the future spread of this potentially dangerous disease by reducing the number of group interactions that occur on a daily basis.

Choices' staff will re-evaluate this schedule whenever new circumstances or increasing risk warrants it, so please check back for our current status.

Thank you for understanding during this uncertain time. We hope and pray that this will be over soon!

Stay well, everyone!
